QS GRADUATE EMPLOYABILITY RANKINGS

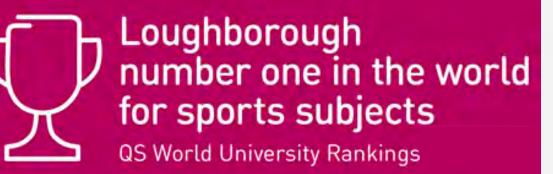

Loughborough University

Loughborough

Chancellor: Sebastian Coe

- Lord Coe, made Olympic history by winning gold and silver in the 1980 and 1984 Games, graduated from Loughborough in 1979 and has remained a close friend and supporter of the University.
- He is Loughborough's sixth Chancellor. He is also current President of the IAAF

Loughborough University London

About Loughborough University London

Loughborough

- Opened in September 2015
- ~950 PG students in 2019/2020
- 100+ nationalities represented in staff and student body
- 7 Institutes
- Located on the Queen Elizabeth Olympic Park, which is being redeveloped as research and digital business campus
- Strongly invested in areas that can be delivered more effectively in London than on the main campus
 - Critically, this includes SME partnerships, entrepreneurship, and sport business

About

- We are a multi-disciplinary postgraduate community, based on Queen Elizabeth Olympic Park in London.
- Our stunning campus building offers outstanding facilities and support exclusively for postgraduate students.
- Loughborough University London occupies 9,000 square meters of space across four floors.
- Our neighbours within the Here East campus include:
 - BT Sport
 - Plexal
 - Ford
 - Sports interactive
 - & many more!

Why London?

- The best student city in the world (QS Best Student Cities 2019).
- There are over 300 different languages spoken in London

 it is one of the most culturally diverse cities in the world.
- Queen Elizabeth Olympic Park is the heart of a dynamic, vibrant new community on the eastern side of London. The area is a hub for the creative, new media and digital industries and is home to more artists, creators and makers than anywhere else in Europe.

lborolondon.ac.uk/location

What makes our programmes different?

- Our programmes optimise learning through collaboration to help prepare students for the world of work.
- We help students to develop the skills and experiences that employers value the most.
- Each programme is delivered by inspiring academics and industry leaders with expertise across a broad range of industries and sectors.
- Our collaborations with leading public and private sector companies and organisations mean our programmes are led by real-world issues and genuine industry challenges.

lborolondon.ac.uk/study

The Collaborative Project

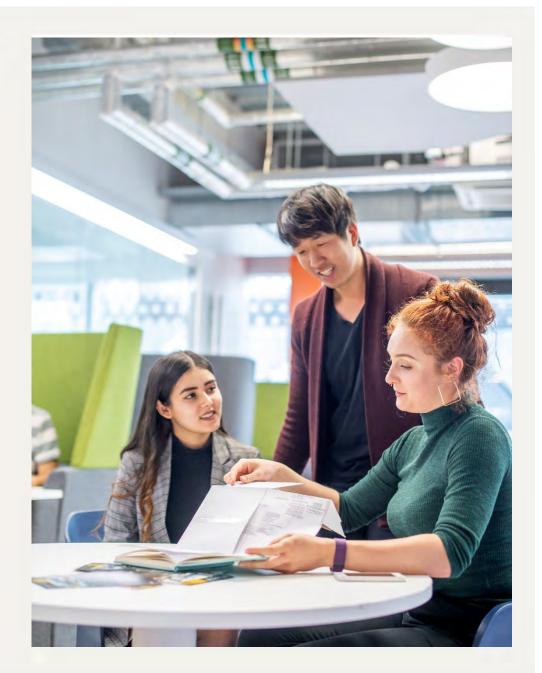

- A team of students address a brief provided by a real business or organisation
- Each student is able to bring their individual skills, experiences and ideas to the project
- Some organisations offer site visits and networking opportunities with their employees

🖪 🔳 Loughborough

University London

The Institute for Sport Business

The Institute for Sport Business works to continue the legacy of the London 2012 Olympic Games by delivering a dynamic and pioneering range of programmes to deliver excellence across the sport business sector.

The Institute includes an interdisciplinary, research-led team, incorporating internationally recognised researchers interested in the business of sport. The Institute seeks to deliver research with a real world impact – recent research has examined the rapid growth in the business of sport, as well as leadership and change, innovation, technology and social responsibility.

Loughborough has been named number one in the world for sportsrelated subjects (QS World University Rankings by Subject 2020).
