

Loughborough University Donations Fund – Loughborough London Open Fund

For 2018/19 the Open Fund will have one call for proposals, with a total of £5000 available to applicants.

The purpose of the Open Fund is to support the social, educational, cultural and physical well-being of people living close to the Olympic Park. This will be achieved by providing modest grants (up to £1000) to appropriate community groups.

Criteria

- Organisations/groups must be within the following post-code areas: E1, E1W, E2, E3, E4, E5, E6, E7, E8, E9, E10, E11, E12, E13, E14, E15, E16, E17, E18, E20, EC1, EC2, N1, N4, N15, and N16. (Please note that other postcodes of local organisations may be considered)
- Organisations/groups must be non-political in nature
-
- Only specific/identifiable projects will be considered (rather than, for example, administration and running costs)
- Bids are most likely to be successful when they clearly identify and outline the impact and benefits funding will have
- Bids should include a short breakdown of how the funding will be used
- Repeat bids for the same project or from the same organisation within a 12 month period will not normally be considered

Notes

- Successful organisations may be required to provide the University with feedback of the monies awarded
- Funds awarded will normally be spent within six months of the award but certainly within 12 months
- All applications will be considered on merit. A decision to fund a particular project does not necessarily mean that a project of that nature will be automatically be supported in the future

Application process

Bids should be submitted on the appropriate application form available on the Loughborough University Community website – www.lboro.ac.uk/community. These can be sent by email to j.metson@lboro.ac.uk or post to:
